

Nuanetsi Conservancy

The Nuanetsi Conservancy is located in the southern lowveld of Zimbabwe along the Mwenezi River and is one of premier hunting destinations in the country where some of the highest population of Plains Game in Africa can be found!

Nuanetsi is in excess of 350 000 Acres of hunting area and deliver top quality Buffalo and Plains Game trophies. Nuanetsi is probably best known for it's Leopard Hunting and deliver some of the biggest Tom Cats in Africa! Clients can bag several species of Plains Game in addition to their Big Game during the course of the Safari.

The camp is a couple hours drive from Bulawayo where you will be welcomed in our majestic camp on the banks of the Mwenezi River!
